

Welcome to Puteaux!

Here is some practical information about the guitar show:

Installation and disassembly time: it will be possible to start to install on Friday, October 10th from 13:00. The dismantling of the show will be done after the closing on Sunday after 17:00.

Access to the music academy: the exhibition halls are on the 3rd floor of the music academy. You can use the main entrance rue de Pressensé to go up by the main elevator.

Address: 5, rue Francis de Pressensé 92800 Puteaux, France

Show floor: you will get your booth spot on the show floor plan you will get when you arrive on Friday in Puteaux. Please respect the spot you were assigned.

Payment: the payment of €300 incl. VAT must be made by check to the Trésor Public or by bank transfer. You will be presented with an agreement to sign on arrival at the music academy (see document sent by e-mail).

Opening hours of the guitar show:

Friday 10/10 16:00 to 20:00

Saturday 11/10 11:00 to 18:00

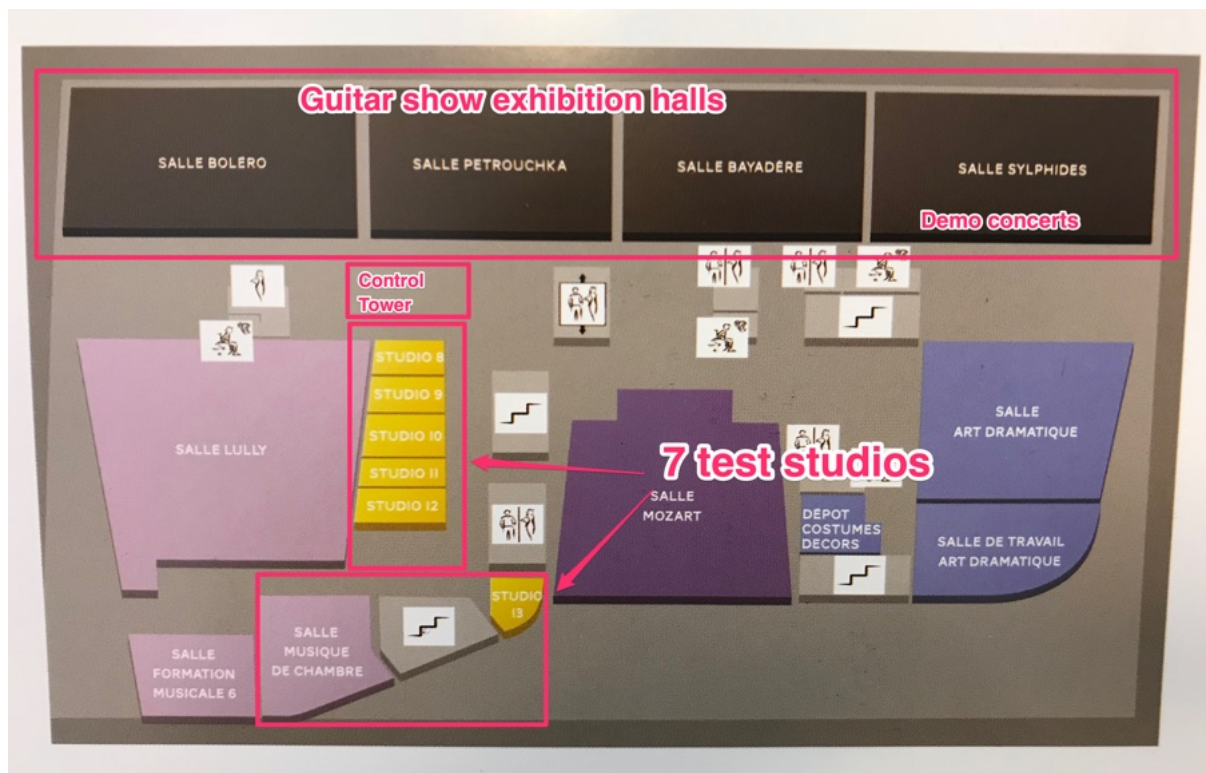

Sunday 12/10 11:00 to 17:00

Parking: exhibitors will have the preferential rate of €5 (cash only) from Friday to Monday to park their car in the car park located in front of the music academy. Get your ticket at the reception.

Organization of the tests: one of the big strengths of the guitar show of the Puteaux festival is the possibility of using the **7 individual test studios** so visitors can try your guitars, amps and pedals. The access method will be as follows: to use one of the available test studios, you will go through a "control tower" volunteer who will assign you a studio for a **maximum of 15min**. In order to allow a maximum of testing sessions, the studios must be released every quarter of an hour. So for example: a studio will be used at 14:00 until 14:15, then someone else can use it from 14:15 to 14:30 and so on so forth.

Individual studio equipment: it will depend on what the amp and pedal exhibitors have planned to bring. You can bring a reference amp if you want, it will have to stay in the studio. The 2 test studios on the bottom of the plan below will be devoted to acoustic guitar tests.

3rd floor plan: the guitar show will be taking place on the 3rd floor of the Puteaux music academy. Here's a detailed plan below.

Booth organization: no guitar amp should be used on the booths of the show, the test studios are there for that. This will ensure a pleasant atmosphere in the guitar show and will help to have discussions between visitors and exhibitors. If you wish, you can have a headphone listening solution. You can have banner behind the tables or hanging in the front of the table. **The table should not be removed in any case to keep a consistent look of the guitar show.**

Test of acoustic guitars: we ask exhibitors to limit as much as possible the acoustic guitar tests on the booth because it quickly becomes noisy and does not allow to listen to the quality of the guitars anyway. The test studios are there for that.

Bar: exhibitors with badges will be able to benefit from a reduced rate on drinks and trays served at the bar of the music academy located in the atrium.

Demo concerts - Sylphides room: each session of 20min being a combination guitar / amp or guitar / amp. Thank you for being ready with your guitars and pedal 10min before the scheduled time. The amps will remain in the Sylphides room to avoid any problem of handling and connection error. The musicians (Hugo Martin and **2nd Name to Be Confirmed**) will come to see you before the concerts to talk to you and discover the gear they will demo. If you choose you can be at the microphone to introduce the demo.

DEMO CONCERT SCHEDULE TO BE CONFIRMED

Video recording: all the demo concerts will be recorded and will be published after the festival on La Chaîne Guitare YouTube channel.
